

Michael Sobell House

The very special care offered at Michael Sobell House aims to encompass the needs of our patients and their families. Michael Sobell House provides excellent specialist medical and nursing care supported by a full range of services – including counselling, physiotherapy, occupational and complementary therapies.

The cost of providing these services is high and we are constantly looking for ways of raising extra income.

Hospice Lottery

We are pleased to announce that Friends of Michael Sobell House has joined The Hospice Lottery Partnership in January 2005.

The Hospice Lottery is a significant long term fund raising initiative which shares its proceeds amongst the six hospices equally, enabling them to continue their vital work.

For just £1 a week you can join

Tickets will cost as little as £1 a week (or the equivalent of £4.34 per calendar month if you pay by standing order) and the more people who join the more successful the scheme will be.

Your participation will make a real difference.

The results will be displayed in our shops and fundraising office and winners will be notified by post – there is no need to claim and no numbers to check.

Please support us by completing the attached application form now – and Good Luck!

How to join

For just £1 a week you will be given a unique number which is entered into the Lottery draw each week for the period of the subscription.

You can have as many numbers in the draw each week as you wish.
